General Information

Welcome to Table 307

This timetable has been created by [RailwayData.co.uk](https://www.railwaydata.co.uk) and contains details of services on the Haslemere - Guildford, Woking & London route, Valid from 02 June until 07 September 2024. It was last updated on the 02nd of June 2024. In addition to timetables for other lines, including London Underground and light rail networks throughout the UK, our website contains line files, gradient profiles, station details, mileages, signalling and much more!

Fares & Tickets

The ticketing and fares structure of the British railway network is vast and complex, and as a result, we have been unable to include this information within our timetables. Details of how much your ticket will cost can be found on the many Train Operating Company websites and apps, or for more advance users, by visiting the [Railway Data Centre Fares Pages](#).

Connections

When making a connection between trains, it's important to know how long is needed to do so comfortably. Here are the **minimum connection times** for stations in this table:

Headcodes

A headcode is a 4 character reporting code assigned to each train and used by various industry departments.

The **first** character is a number that represents a train's category (shown below).

The **second** character is a letter, and represents the route a train takes.

The **third & fourth** characters are incremental digits that identify a specific train.

- Class 1 trains usually represent express services
- Class 2 trains usually represent local stopping services
- Class 3 trains usually represent a higher priority Empty Coaching Stock (ECS) move
- Class 5 trains usually represent standard & lower-priority ECS moves

Other classes of train represent freight and some departmental services
